Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Capital Improvement and Repairs - Workforce Development at Reading Community College Project in fiscal year 2024. The entity to receive funding for this project is Reading Area Community College, located at 10 S. 2nd Street, Reading, PA 19603-1014. The funding would be used for an advanced manufacturing workforce development program. The project is an appropriate use of taxpayer funds because it will address a workforce shortage of computer numerically controlled (CNC) operators that are needed throughout Berks County's manufacturers for continued expansion and economic development.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
